TORAH · CHESED · ISRAEL

**A PLACE TO LIVE**

## **TORAH**

At Midreshet AMIT you will spend your day learning, questioning, and growing in Torah. From interesting and challenging classes to guided chavruta study, your year will be packed with learning geared to help you develop a lifelong connection to Torah.

**A PLACE TO LIVE**

## **CHESED**

Our home is in the Alfred M. and Frances Frisch Beit Heyeled, AMIT's well known foster home for disadvantaged youth. You will spend each day teaching, playing and caring for some of Israel's most needy children. As a "big sister" you will be challenged to give of yourself in a way you have never experienced before and you will be transformed in the process.

**A PLACE TO LIVE**

## **ISRAEL**

Your connection to Israel will be deepened through the unique experience of living and interacting with dedicated Israeli couples and committed Sherut Leumi young women. Through adventurous tiyulim, you will travel the length and breadth of Israel, learning about our history and gaining a greater appreciation for the State of Israel.

A PLACE TO LIVE

# TORAH

The courses of Midreshet AMIT are designed to challenge and guide you as you develop your skills and knowledge. A wide variety of intermediate and advanced classes on topics such as Tanach, Halacha, Hashkafa and Jewish History are offered.

Mornings include time spent in the Beit Midrash preparing texts and researching fascinating subjects under the supervision of caring and knowledgeable teachers. Our regular schedule is enhanced by special events and guest speakers.

**At Midreshet AMIT, you will appreciate the relevance of our tradition in today's society and develop a lifelong commitment to Torah.**

The Amit Beit Midrash has been an amazing environment for us this year - whether it be a place to learn quietly alone, engage with peers in a chevruta or learning one on one with the amazing staff, we all know that we always have a place full of endless Torah learning opportunities. Coming to Amit is something I wouldn't exchange for anything and am beyond grateful for the experience.

**LEXI WEINBERGER**  
Sydney, Australia

In addition to the variety of exciting classes offered every week at Amit, there are numerous opportunities for additional learning. Monthly Yimei Iyun are dedicated to topics of interest such as Shemittah, Zionism, Modern Orthodoxy, Emunah and Holidays with text based shiurim, special speakers and experiential programming. Our Rosh Chodesh Scholar in Residence Lecture Series gives our students the opportunity to learn from some of Israel and America's most prominent leaders. Optional daily chavrutot with our staff allow our students to engage in learning one on one and focusing on topics of their choice.

# THE BEIT MIDRASH

I came to AMIT only knowing two other girls and thought it would be challenging to make new friends. However, everyone was so friendly and outgoing from the first day. Although its only been a few weeks, I already made so many new friends from all over the world and feel so comfortable with all of the girls.

**YVONNE BENUN**  
Brooklyn, NY

The teachers at AMIT put a lot of effort into forging and maintaining close and meaningful relationships with the students. They are available around the clock for chavrutot and guidance as well as hosting us for Shabbatot in their homes. We know we can count on the staff to help us make the most out of this special year in Israel.

**NAVA KATZ**  
Boston, MA

The Mashgiach and Mashgicha Ruchani provide our students with the religious and spiritual guidance necessary to reach and even exceed their goals. By learning with the girls one on one or in smaller groups (chubura style), the mashgichim develop close and meaningful relationships with each and every Amit student.

The Beit Midrash is the center of spiritual life at AMIT. It is a place to learn independently or to learn b'chavruta with a staff member or a friend. It is a place to daven and meet one on one with our Mashgiach or Mashgicha Ruchani, our madrichot and our faculty. It is a place for quiet contemplation. Most of all, it's a place to connect with people who want to grow just like you.

**RAV RAFI ROSENBLUM**  
Mashgiach Ruchani

**MRS. MIRI KWALWASSER**  
Mashgiacha Ruchani

The unique thing about classes at AMIT is that they are all personalized for each individual student. Whether you are interested in high level text based classes or more philosophical ones, there is a wide range of options to choose from. You can choose from Advanced Gemara, many Tanach and Halacha classes, Jewish history or even some very creative classes like Jewish Meditation, Torah through Art and Science or even a music class called Sounds of Torah. Being able to meet with Rav Goldstein for guidance and advice on a reoccurring basis was so helpful in order to create a balanced scheduled that was designed for me. The small class sizes enable us all to fully engage with the students and teachers in each class.

# CHESED

Midreshet AMIT provides unique opportunities for daily chesed. As you work with the children at Beit Hayeled you will use your talent and creativity to design and lead innovative programs. With care and compassion, you will have the opportunity to help disadvantaged children with their academic and social challenges. You will become part of a “mishpachton” (foster family unit) helping to provide much needed shelter, structure and stability.

Additionally, you will work with talented and dedicated post high school Sheirut Leumi girls who have volunteered to spend a year of their lives helping the children at Beit Hayeled. This entire project is supervised by a joint effort between the staff of Midreshet AMIT and the professionals at Beit Hayeled, including educators, psychologists and therapists. Throughout the year, these professionals conduct periodic seminars to help you navigate the challenges that you encounter working with foster children. **By giving to others, your lives will be immeasurably enriched and you will develop the skills to become the leaders of tomorrow.**

The Chesed experience at Midreshet Amit is so special because it is incorporated in everything we do. Even when we are simply just walking up and down the stairs we are interacting with the Beit Haya'eled children that we work with everyday. It's amazing to be a part of their everyday life.

**JESSICA BLUMBERG**  
Chicago, IL

At first the prospect of volunteering with the Beit Haya'eled foster children seemed challenging, but from the first event we shared together it became clear that it would be an experience like no other. The kids are charming and fun loving and every minute spent with them is rewarding. I am looking forward to continue developing strong bonds with the kids which will remain with me forever.

# ISRAEL

The transition of Yom Hazikaron to Yom Haatzmaut was unbelievable. The whole country goes from intense sadness to extreme happiness and no matter what kind of Jew you are, you are part of this great transition. It's exceptionally emotional and empowering and was the highlight of my year at AMIT.

**RACHEL GINDI**

Los Angeles, CA

At Midreshet AMIT you will not just spend a year in Israel, you will "Live Israel!" In addition to daily interaction with Israeli children and families at Beit Hayered, Tanach and Jewish History come to life as we explore the geography of Israel on our monthly tiyulim.

Shabbatonim in communities such as Yerushalayim, Gush Etzion, Tzefat and Beit Shemesh will expose you to the diverse populations of contemporary Israel.

Additionally, we are part of a large network of 110 AMIT schools throughout the entire country renowned for their academic excellence and professionalism. Throughout the year, we visit some of the Amit schools in areas such as Sederot, Beersheva, Tzefat and Ashkelon and participate in special joint programs.

The incredible Tiyulim at Amit provide memorable experiences outside the classroom environment. Our trips so far have included a challenging water hike, exhilarating midnight tour of the Old City of Jerusalem, a Chesed day of packaging food for the needy and a refreshing spa retreat at a Moshav that energized our bodies and our minds just in time for the Yamim Noraim. Each of these outings have left me with a new outlook on my relationship with the Land of Israel for which I am truly thankful.
