Midreshet AMIT

Live Torah, Live Chesed, Live Israel

What waits for you at Midreshet AMIT?

A Place to Live Torah.

At Midreshet AMIT you will spend your day learning, questioning, and growing in Torah. From interesting and challenging classes to guided *chavruta* study, your year will be packed with learning geared to help you develop a lifelong connection to Torah.

A Place to Live Chesed.

Our home is in Beit Hayeled, AMIT's well known foster home for disadvantaged youth. You will spend time each day teaching, playing and caring for some of Israel's most needy children. As a "big sister" you will be challenged to give of yourself in a way you have never experienced before and you will be transformed in the process.

A Place to Live Israel.

Your connection to Israel will be deepened through the unique experience of living and interacting with dedicated Israeli couples and committed *Sherut Leumi* young women. Through adventurous *tiyulim* you will travel the length and breadth of Israel, learning about our history and gaining a greater appreciation for the State of Israel.

Midreshet AMIT – A Place to Live Torah

The courses at Midreshet AMIT are designed to challenge and guide you as you develop your skills and knowledge. A wide variety of intermediate and advanced classes on topics such as *Tanach*, *Halacha*, *Hashkafa*, and Jewish History are offered.

Mornings include time spent in the Beit Midrash preparing texts and researching fascinating subjects under the supervision of caring and knowledgeable teachers.

Our regular schedule is enhanced by special events and guest speakers.

At Midreshet AMIT, you will appreciate the relevance of our tradition in today's society and develop a lifelong commitment to Torah.

Midreshet AMIT – A Place to Live Chesed

Midreshet AMIT provides unique opportunities for daily chesed. As you work with the children at Beit Hayeled you will use your talent and creativity to design and lead innovative programs. With care and compassion, you will have the opportunity to help disadvantaged children with their academic and social challenges. You will become part of a "mischpachton" (foster family unit) helping to provide much needed shelter, structure, and stability.

Additionally, you will work with talented and dedicated post high school "Sheirut Leumi" girls who have volunteered to spend a year of their lives helping the children at Beit Hayeled. This entire project is supervised by a joint effort between the staff at Midreshet AMIT and the professionals at Beit Hayeled, including educators, psychologists, and therapists.

Throughout the year, these professionals conduct periodic seminars to help you navigate the challenges that you encounter working with foster children. By giving to others your lives will be immeasurably enriched and you will develop the skills to become the leaders of tomorrow.

Midreshet AMIT – A Place to Live Israel

At Midreshet AMIT you will not just spend a year in Israel, you will "Live Israel!" In addition to daily interaction with Israeli children and families at Beit Hayeled, Tanach and Jewish history come to life as we explore the geography of Israel on our monthly tiyulim.

Shabbatonim in communities such as Yerushalayim, Gush Etzion, Tsefat, and Beit Shemesh will expose you to the diverse populations of contemporary Israel.

Additionally, we are part of a large network of 80 AMIT schools throughout the entire country renowned for academic excellence and professionalism. We will visit some of the AMIT schools and participate in joint programs.

Midreshet AMIT – The Campus

Our comfortable dormitory is located in residential Gilo, a southern suburb of Yerushalayim. Your can choose to stay "home" for Shabbat with your Beit Hayeled family or enjoy hospitality offered by AMIT faculty and friends. The highest security is maintained with closed circuit surveillance cameras and a full time armed guard. Caring *madrichot* live on the premises and are available to help provide students with all of their needs.
